Compliance Structure

The Chiba Bank is constantly working on making compliance activities even more effective. We are determined to conduct all of our business activities fairly and in good faith, by complying with all laws and regulations relating to banking transactions, by observing all internal rules and regulatory requirements pertaining to our role in society and by avoiding actions that would fall short of normal social expectations.

Specific action plans and measures to ensure compliance are formulated at regular meetings of the Compliance Committee. This committee is chaired by the President and consists of directors, executive officers, and divisional general managers.

The Compliance Division is responsible for various compliance-related tasks, including the administration of compliance regulations and manuals, the preparation and monitoring of training programs and periodic checks on the compliance situation. They also monitor branch-level compliance and provide advice.

Consistent Implementation of Basic Policies

Compliance Program

Every year, the Board of Directors establishes a compliance program to provide a specific action plan for achieving further improvements in compliance activities. The execution of this program is checked on a regular basis by the Board of Directors and Compliance Committee.
