## **Revision of the Headquarters Organization**

The Chiba Bank (President Tsutomu Yonemoto) (the “Bank”) will revise the headquarters organization as follows.

### **1.Establishment of Corporate Planning Division SDGs Promotion Office**

**SDGs Promotion Office** will be newly established within the Corporate Planning Division to oversee the entire Group's efforts to achieve SDGs (Sustainable Development Goals) for 2030 and to realize a decarbonized society for 2050 as set forth by the government. In addition, we will assign concurrent personnel to major related divisions and appoint new SDGs promotion officers to all headquarters divisions and group companies.

As a voluntary target related to SDGs and decarbonization, the Bank aims to implement sustainable finance<sup>※</sup> 2 trillion yen ( including 1 trillion yen in environmental finance ) by FY2030 and to reduce coal-fired power plants loans outstanding to zero by FY2036.

SDGs Promotion Office will further accelerate efforts to “promote sustainable finance”, “reduce group-wide CO<sub>2</sub>”, and “reduce carbon-related assets” by consulting services to customers and collaborating with local governments in cooperation with SDGs promotion officers and headquarters divisions.

### **2.Date of Implementation**

Friday, October 1, 2021

※ Finance aimed at solving environmental and social issues, and finance to support customers' ESGs and SDGs efforts.
